

## Active Adventure Camp

Our Active Adventure Camp offers children the chance to try something new while in the great outdoors. Participants will take part in a diverse programme of activities ranging from climbing to extreme heights to getting back to nature making fires and shelters, deep in the woods.

When they are not engaged in active pursuits they will be enjoying challenging brain teasers and problem solving games. Throughout the 3,4 or 5 day camps children will build new friendships and develop their team work and social skills.

Our friendly, energetic staff are fully trained and will guide all participants through each activity and will tailor elements to ensure children of all ages and abilities get the most out of their experience.

### **Timetable:**

3-4 day: Archery, Problem Solving, Battlefield Live, Bushcraft, The Terminator, Climbing Wall, Caving, Air Rifles and Assault Adventure Course, slingshots and Woodland Games.

**What should my child wear?**

Comfortable clothing and suitable footwear is essential for roaming around in the woods as there is the possibility of them getting dirty and on rare occasions damaged. We recommend a change of clothes on days when activities include water sports in case of any mishaps.

We spend the whole time in the outdoors and would recommend ensuring your child has suitable clothing and accessories for the season (e.g. sun cream, waterproofs).

**Does my child need to bring lunch?**

Yes you will need to provide a packed lunch and plenty to drink.
